Noise Level	Less than 45db
Weight	22kg (Excluding Packaging)
Dimensions	320 x 390 x 280mm (WxLxH)

Officemate 3D

→ **E**conomical
→ **E**ssential
→ **E**nvironmental

The Officemate 3D offers a real office-friendly Pressure Sealer with perfect sealing quality and extremely low noise level. It is capable of processing of 3,000 forms per hour.

- **Perfect Sealing Quality & Extremely Low Noise Level. Perfect for any office environment.**
  The officemate 3D is based on the officemate 2D tried and tested technology. It benefits from the same high sealing quality and low noise level.

- **Auto / Manual Start Mode**
  Can automatically process small batches of forms and then pause so operator can remove a precise number of sealed forms.

- **Double In-feed Detection**
  The officemate 3D has double in-feed detection fitted as standard. In the unlikely event of a double feed, the machine detects this and automatically stops the machine to prevent a paper jam.

- **Total/Batch Counter**
  You can check the total counter and adjust the batch counter within the display menu.

- **Information Display Panel**
  User friendly Menu giving you all the information you require.
